Discussion Items

There was a mistake made at council and Echo Hill was double booked with a camporee taking place at camp. There were 36 girls that would be displaced from the camporee if they continued to let us attend, so council has offered two options for us:

1. Move our retreat to a cabin unit at Misty Mountain another weekend in October (any weekend other than the first weekend)
2. Move our retreat to Camp Meriwether.

The team agreed that moving our retreat to another weekend in October wouldn't work (most everyone has conflicts – there is a Trefoil Guild campout the 2nd weekend and the outdoor trainer weekend is the 3rd weekend; some folks are trainers working Serendipity the 2nd and 4th weekend).

The team agreed that we would move our camporee to Camp Meriwether. Our group will be in Dandelion, which is the large meeting facility. There are 4 beds and bathing facilities in the building for those with mobility issues. The building is accessible. The full kitchen is also located in this building. In addition, we will have 2 cabins (Pinetree and Sullivan) with 8 lower beds each. Restroom facilities are bathhouses close to these 2 cabins. There is a short walk between the cabins (in village 2) and Dandelion. Council can provide a MIFI for internet connection and the office internet can be accessed as well. There will be staff on site all weekend to provide support and assistance with access.

Jeanenne will email everyone a map to camp, suggested eating areas on the way to camp, and a map of camp. She will also send telephone numbers for the camp director and ranger. Jeanenne suggested that everyone try to leave early and beat traffic out of town (come early and stop around Newnan to eat). Another suggestion is to come down Saturday AM if you can't get away in time to beat rush hour traffic.

NOTE: USE THE DIRECTIONS FROM JEANENNE, NOT YOUR GPS, TO GET TO CAMP! If you don't follow the directions Jeanenne sends and rely on your phone or gps, you're on your own if you get lost going to camp!!

The following individuals will NOT be able to attend the weekend:

- Kellie is fighting the flu and may not be able to come after work Friday; if she's feeling up to it, she may come down Saturday. Kellie to let Jeanenne know if she is coming after all.

- Jessica Preble made other plans when we announced the weekend was canceled and she's now working on Friday; she will check with her family and will let Jeanenne know if she can come after all (may come down Saturday)
- Melonie Luxbacher will not be able to attend

If your plans change at all, please let Jeanenne know ASAP. Her cell is 678-267-5300 and her home phone is 770-421-9655.

Jeanenne reminded everyone to bring folders for Cheryl Marko.

NOTE: Council offered to provide the units at Camp Meriwether free of charge and will refund us our \$250 for Echo Hill. That will give us more money for scholarships or other camp expenses. 😊
