

WILL YOU HELP AN ANIMAL IN NEED?

We are collecting donations of pet and animal supplies for our Silver Award project. You can help by bringing new or used toys, food, bedding, crates, grooming supplies, and other items to the monthly Leader Meeting.

And you can REALLY help by placing a donation box (we supply) at your business, church, school, community center, or other location. We will collect the donations monthly and distribute them to local no-kill animal shelters.
